PROFESSIONAL SUMMARY

Junior Frontend Developer specializing in React and Next.js, with strong expertise in creating smooth and engaging user interfaces using Framer Motion and GSAP animations. Focused on building responsive, performant, and pixel-perfect web applications with clean and maintainable code.

TECHNICAL SKILLS

Languages: JavaScript (ES6+), HTML5, CSS3, PHP

Frameworks/Libraries: React.js, Next.js, Tailwind CSS, ShadCN UI, Express.js (Basics),

CMS: Sitecore, WordPress

Animation: Framer Motion, GSAP Animations

Tools & Others: Git, GitHub, Postman, VS Code, REST APIs, Responsive Design

EXPERIENCE

7 Kings Code LLC | *DHA Phase 8 (ex-Park-view)*

Frontend Developer Intern | *Present*

- Developed reusable React components along with multiple variants to improve code efficiency
- Identified and resolved multiple web bugs to enhance application performance and user experience
- Contributed to building responsive and modern web interfaces with React and Next.js

DevInsta | *Johar Town*

WordPress Theme Developer | *April 2024 – September 2024*

- Developed custom WordPress themes by converting static HTML, CSS, and JavaScript into dynamic websites
- Integrated and managed dynamic content through WordPress CMS (pages, posts, and navigation menus)
- Built responsive and user-friendly interfaces ensuring cross-device compatibility

PROJECTS

Gallery Application

- Developed a responsive image gallery app using React.js and Tailwind CSS that fetches data from REST API.
- Handled API integration, loading states, and error handling for better performance.

Portfolio Website

- Built a modern personal portfolio website using Next.js and Tailwind CSS.
- Integrated smooth animations and transitions using Framer Motion to enhance user engagement.

Notes Application

- Built a Notes application with features to create, read, update, and delete notes.
- Added smooth user interactions for creating and updating notes with real-time state management.

EDUCATION

Superior University

Associate Degree in Computer Science | 2022-2024

HOBBIES & INTRESTS

- Exploring modern UI/UX design trends
- Learning new frameworks and tools
